# Additional Service Offerings

QRM

QRM has organically extended services beyond rehab to include stand alone or adjunct offerings which impact the overall operational success. We take an interdisciplinary approach to address your needs, identify solutions and optimize your outcomes.

## OUR COMMITMENT TO YOUR SUCCESS:

QRM's innovative and forward thinking approach to our partner's operational needs, makes us the ideal advocate you need in your corner. Our additional services lines expand beyond the therapy gym into your facility to increase operational efficiencies.

- ✓ Nationwide recruitment of the best talent for your facility
- ✓ Comprehensive audits leading to improved clinical and financial outcomes
- ✓ Marketing support through branding, website development, online presence management and print design
- ✓ MDS education and training, quality measure monitoring and optimized reimbursement opportunities
- ✓ Compliance support through auditing and policy procedure review
- ✓ Expansion of additional revenue streams for clients
