

Career Opportunities in Long-Term and Post-Acute Care (LTPAC)

The Opportunity

Over the next 15 years, LTPAC will experience a loss of 60%+ of the existing RN workforce. This is a tremendous opportunity for young adults entering the job market.

Median salary of LTPAC RNs

\$88K

Median salary of LTPAC Directors of Nursing Services

\$105K

Average US Household income is \$59K
