We are participating in the **AAPACN Education Foundation Work of Heart Challenge** on Valentine's Day to raise money for LTPAC nurse scholarships. Working as a four-person team, we have 10 minutes to build a structure using only the heart suit cards from four decks of playing cards. If we build the tallest structure and/or raise the most money, we could win a staff appreciation party for our facility.

Please join us in supporting nurse scholarships by sponsoring our team for a \$56 tax-deductible donation.

Sponsor(s) Pledge

I pledge a \$56 donation to sponsor this team to compete in the **AAPACN Education Foundation Valentine's Day Work of Heart Challenge**. *Donations must be collected by Feb. 16, 2024.*
