Quality is the engine of success in post-acute care. Federal quality initiatives are like a complex road map, filled with manuals, specifications, and timelines that can be challenging to navigate, even for seasoned staff. Join MDS and quality experts during the **AAPACN 2024 Quality Virtual Conference** for a two-day journey of learning, collaboration, and inspiration aimed at boosting a facility's performance and quality outcomes. Attendees will gain the tools and knowledge needed to steer their facility towards improved outcomes and resident satisfaction.

## Who Should Attend

This virtual event is ideal for nurse assessment coordinators (NACs), directors of nursing services (DNS), administrators, clinical nurse leaders, quality improvement coordinators, and any staff passionate about driving quality initiatives within the skilled nursing facility (SNF).

## Schedule

The schedule includes two days of expert-led breakout sessions. Additionally, both days will conclude with a live panel discussion and Q&A session, allowing you the opportunity for attendees to address specific questions.

### Day 1 Education Sessions

- Quality Measures Unveiled - A Crash Course
- MDS Coding as It Impacts the Quality Measures
- The Role of Diagnosis and ICD-10-CM Coding in Quality Measures
- Five-Star – A Focus on the Quality Measure Domain
- Understanding Discharge Function Score

### Day 2 Education Sessions

- Growing Together with the SNF QRP
- SNF Value-Based Purchasing (SNF VBP) Expansion
- VBP Road Map: Clear Directions to Health Equity Adjustment
- Don't Discount Discharge Plans: How Proper Planning Can Reduce Readmissions
- QAPI in the SNF: Using QM Data in Your QAPI Program
